"Understand that this is sacred ground and it hurts to walk here. But at the same time, I 'need' to walk here, need the strength, the sense of purpose, the knowledge of self, that walking here imparts. ... What do I want from you? I want you to be my sister and to walk here with me. I know it's a hard walk. I know it causes you pain. But this much I also know: If ever we learn to tread this ground together, there's no place we can't go." —Leonard Pitts, Jr.

The Sacred Ground series is part of the *Becoming Beloved Community* initiative of The Episcopal Church, a long-term commitment to racial healing, reconciliation, and justice in our personal lives, our ministries, and our society.
